from Delia

I will be sending the newsletters by email. If you haven't already, please let me know your email address so I can get it out to you. This will not only save time, it will save \$ on paper & ink. I will still have printed copies available if you prefer that or don't do email, but you need to come to the office and I will put you on the list for a printed copy.

I hope you all enjoy the newsletter.

Marina News

When parking your trailers in the Marina lot, please only leave about 1 foot between trailers so we have enough room for everyone. Also, we are starting utility work in the lot, so please begin parking your Pontoons starting at the North end of the lot near the gate instead of the south side.

Check out the Fisherman's blog on our website, written by a fellow fisherman, Dave Oravets.

If you're signed up for our email, we will send along a link to that too.

Thanks, The Marina Guys
Bob, Joe & Jim
